Version: Version 1.0

1.   Idea

RateMySchool is a forum where people can share their experience and general opinion on a given school, which is the *<content>* part of the program). The platform will give an insightful view for the newcomers to help them make better decisions for their education.

Based on their role user should be authenticated in desktop admin or web application:

    1.1.   Web application users

        1.1.1.   Ability to give a rating to a school
        1.1.2.   Ability to give and edit a review to a school
   1.1.3.   Ability to report and inappropriate review

    1.2.   Desktop application users
        1.2.1.   Ability to edit schools
        1.2.2.   Ability to edit reported and unreported reviews

2. Resources
    2.1.   Sitemap

2.2. Wireframes
